

Vision Plan

The City of Dallas offers two vision plans through UnitedHealthcare. The plans cover services like eye exams, lenses, frames, and contact lenses. The Buy-Up plan also covers more glasses lens options, as well as out-of-network laser surgery. Both plans offer in- and out-of-network benefits, but you'll save money when you visit an in-network provider.

¹ Out-of-Network Reimbursement: Receipts for service and materials purchased on different dates must be submitted together at the same time to receive reimbursement. Receipt must be submitted within 12 months of date of service to the following address: UHC Vision, ATTN: Claims Dept., P.O. Box 30978, Salt Lake City, UT 84130.

* Benefits available every 12 to 24 months (depending on the benefit frequency), based on last date of service.

** Your \$105 Contact Lens allowance is applied to the fitting/evaluation fees and the purchase of the contact lenses. For example, if the fitting/evaluation fee is \$30, you will have \$75 toward the purchase of contact lenses. The allowance may be separated at some retail chain locations between the examining physician and the optical store. If you choose disposable contacts, you may receive up to four boxes of disposable contacts (depending on prescription). This benefit is covered in lieu of eyeglasses when obtained from a network provider. Toric, gas permeable and bifocal contacts are all examples that are outside our covered-in-full selection.

***UHC has partnered with Laser Vision Network of America (LVNA) to provide members with access to discounted laser correction providers at UHClasik.com or (888) 563-4497.
